## About This Catalog

### Important Declarations

This publication provides detailed information about academic programs, financial aid, and academic rules and regulations. Every effort has been made to ensure that the information is accurate and complete as of September 1, 2017. However, errors are possible and changes such as the addition or cancellation of courses may occur while the academic year is under way. The College reserves the right to correct errors in the catalog and to make changes in degree requirements, course offering regulations, and procedures as educational or financial considerations require. For up-to-date information, contact the appropriate department offices.

If requirements are changed, students may elect to comply with the new requirements. The choice must be declared in writing to the appropriate graduate chair.

Students who withdraw and are subsequently readmitted will be bound by program and degree requirements in force during the academic year in which they are readmitted.

If a student is called to active military duty during a semester, the College will apply, in full, any tuition paid for the semester during which the student is called, to any future semester in which he or she may return. Room and board refunds will be issued on a pro rata basis, consistent with current refund policy.

### Discrimination Policy

It is the policy of Ithaca College that discrimination on the grounds of age, disability, marital status, national origin, race, color, religion, sex, sexual orientation, gender identity or expression, or military status will not exist in any activity, area, or operation of the College. Inquiries concerning the application of Title IX may be made to Ithaca College's Title IX Coordinator, Tiffani Ziemann, at 953 Danby Road, Ithaca, NY, 14850, (607) 274-7661, [tziemann@ithaca.edu](mailto:tziemann@ithaca.edu), or to the U.S. Department of Education, Office of Civil Rights. ### Photographs

Ithaca College and its representatives on occasion take photographs for the College's use in print and electronic publications. This statement serves as public notice of the College's intent to do so and as a release to the College of permission to use such images as it deems fit.
