ACCOUNTING MAJOR - B.S.

This B.S. degree requires 60 liberal arts credits out of the 120 credits required for graduation.

For students interested in pursuing careers as certified public accountants, the School of Business also offers an M.S. in accounting. Students may receive a B.S. in accounting after four years of study and an M.S. in accounting after their fifth year of study. Admission to the M.S. in accounting is separate from admission to the B.S. in accounting. The B.S. in accounting degree is not a registered licensure qualifying program in New York state. The M.S. in accounting degree, however, is registered with the New York State Education Department as a licensure qualifying program.
