Degree Requirements

Code	Title	Credits
Integrative Studies Senior Requirement		
INST 40000	Integrative Studies Capstone	1
Senior Project		
	All Integrative Studies majors must complete a senior project. The project can be pursued in the context of an existing upper-level course based in a department, or students can enroll in an INST individualized study project course and design an independent project, whether inquiry-based research, an applied project, or an internship, guided by a faculty member. The faculty adviser and/or program coordinator review and approve the plan for the senior project in the semester before the student registers for the appropriate course. Select one of the following:	3-4
INST 49000	Senior Project: Internship	
INST 49100	Senior Project: Independent Study	
INST 49200	Senior Project: Applied Independent Study	
	xxxx: Pre-approved upper-level course in a department	
Individualized Plan of Study		
	Students select courses based on the goals of their approved plan of study. These courses must include at least 44 credits and no more than 56 credits of additional courses (excluding the INST capstone and senior project course) drawn from departments across the College, as follows:	44-56
	1) at least 12 credits must be at the 300-level or above, not counting courses taken to satisfy the Senior Requirement;	
	2) no more than 12 credits may be at 100-level;	
	(3) at least three distinct subject prefixes must be included.	
Total Credits		48-61
