

ATHLETIC TRAINING PROFESSIONAL ENTRY LEVEL - M.S.

This is a 2-year Master of Science in Athletic Training program and is designed for students who hold a Bachelor's degree. Students who successfully complete this program are eligible to sit for the national Board of Certification (BOC) for the Athletic Trainer exam and to apply for professional licensure. Passing this exam awards the student with the ATC ® (Certified Athletic Trainer) credential and title "Athletic Trainer".

Students must earn

1. A minimum grade of 'C' in any course with the ATEG or ESSG prefix that utilizes standard grading
2. A 'Pass' in any course with the ATEG or ESSG prefix that utilizes P/F grading

For additional information on policies and requirements for the program, please refer to the Exercise Science and Athletic Training Overview.
