

GRADUATE

Graduate Catalog 2023-2024

About This Catalog

The student should be aware that some information in the catalog may change. It is recommended that students considering enrollment check with the graduate program chair or director to determine if there is any change from the information provided in the catalog. In addition, a catalog will contain information on the school's teaching personnel and courses/curricula offered. Please be advised that the State Education Department separately licenses all teaching personnel and independently approves all courses and curricula offered. Therefore, it is possible that courses/curricula listed in the school's catalog may not be approved at the time that a student enrolls in the school or the teaching personnel listed in the catalog may have changed. It is again recommended that the student check with the graduate program chair or director to determine if there are any changes in the courses/curricula offered or the teaching personnel listed in the catalog.

Important Declarations

This publication provides detailed information about academic programs, financial aid, and academic rules and regulations. Every effort has been made to ensure that the information is accurate and complete as of June 1, 2023. However, errors are possible and changes such as the addition or cancellation of courses may occur while the academic year is under way. The College reserves the right to correct errors in the catalog and to make changes in degree requirements, course offering regulations, and procedures as educational or financial considerations require. For up-to-date information, contact the appropriate department offices.

If requirements are changed, students may elect to comply with the new requirements. The choice must be declared in writing to the appropriate graduate chair or director.

Students who withdraw and are subsequently readmitted will be bound by program and degree requirements in force during the academic year in which they are readmitted.

If a student is called to active military duty during a semester, the College will apply, in full, any tuition paid for the semester during which the student is called, to any future semester in which they may return. Room and board refunds will be issued on a pro rata basis, consistent with current refund policy.

Non-Discrimination statement

The College recruits, hires, and promotes on the basis of individual qualifications and performance. It is the policy of Ithaca College that discrimination on the grounds of age, disability, marital status, national origin, race, color, religion, sex, sexual orientation, gender identity or expression, or military status will not exist in the admission or access to, or treatment or employment in, any program, activity, area, or operation of the College. Concerns regarding known or suspected instances of disability-based discrimination may be brought to the attention of the Director of Benefits Compliance, in the Office of Human Resources, at humanresources@ithaca.edu or (607) 274-8000. Any inquiries concerning the College's non-discrimination policies on sexual harassment or other forms of sex discrimination may be directed to Ithaca College's Title IX Coordinator, Linda Koenig, at lkoenig@ithaca.edu or (607) 274-7761; or to the U.S. Department of Education, Office of Civil Rights.
