

APP DEVELOPMENT MINOR

COMP 17100 and COMP 17200 are required in all majors and minors in the Computer Science department and can be shared. COMP 2200 can be taken once and then counted in both the App Development minor and all majors. **No other course can be shared between majors and minors in the Computer Science department.**

Requirements

Prerequisite information: A grade of C or better is required for a course in computer science to fulfill a prerequisite for another computer science course.

Code	Title	Credits
COMP 17100	Computer Programming I	4
COMP 17200	Computer Programming II	4
COMP 22000	Data Structures	4
Restricted Electives		
Select three courses from the following:		12
