

COMPUTER SCIENCE MINOR

Requirements

An overall average of C (2.00) is required in computer science/ mathematics courses used to fulfill the minimum course requirements for the minor. No course, with the exception of COMP 17100, may be used to satisfy both a computer science minor and any requirements of a mathematics major or minor.

Prerequisite information: A grade of C or better is required for a course in computer science to fulfill a prerequisite for another computer science course.

Code	Title	Credits
COMP 11500	Discrete Structures for Computer Science	4
COMP 17100	Principles of Computing Science I	4
COMP 17200	Principles of Computer Science II	4
COMP 22000	Introduction to Data Structures	4
COMP xxxxx	Select two additional computing courses at level 3 or above ¹	6-8
Total Credits		22-24

¹ Students may use only one project course - COMP 270xx, COMP 370xx, COMP 470xx taken for at least 2 credits - to fulfill the electives requirement; COMP 49800 cannot be counted as a computer science elective. Students completing the Web Programming minor and/or the Game Development minor cannot use COMP 32500 or COMP 33000 as electives in the computer science minor, if those courses are used to satisfy requirements of those minors.
