

COMPUTER SYSTEMS MINOR

COMP 17100 and COMP 17200 are required in all majors and minors in the Computer Science department and can be shared. COMP 21000 can be taken once and then counted in both the Computer Systems minor and the Computer Science BS Degree. COMP 21500 can be taken once and then counted in both the Data-Centric Computing minor and the Computer Systems minor, and all majors. **No other course can be shared between majors and minors in the Computer Science department.**

Requirements

Prerequisite information: A grade of C or better is required for a course in computer science to fulfill a prerequisite for another computer science course.

Code	Title	Credits
COMP 17100	Computer Programming I	4
COMP 17200	Computer Programming II	4
COMP 21000	Computer Systems I	4
COMP 21500	Discrete Structures	4
COMP 31000	Computer Systems II	4
COMP 36500	Computer Networks	4
Total Credits		24
