

# MATHEMATICS MINOR

---

The mathematics minor program provides an option for nonmajors who wish to take mathematics courses, be guided in course selection, and receive recognition for their studies. Students interested in a mathematics minor should consult a departmental adviser.

*Policy on prerequisites:* A grade of C- or better is required for a course in mathematics to fulfill a prerequisite for another mathematics course. A student must receive the permission of the mathematics department to take a mathematics course that is a prerequisite for a mathematics course for which they have previously received credit.

## Requirements

An overall average of C (2.00) or above is required in mathematics courses being used to fulfill the minimum course requirements for the minor. No more than one passing grade below C- in mathematics courses may be used.

Code	Title	Credits
MATH 11100	Calculus I	4
MATH 11200	Calculus II	4
MATH 18500	Math Experimentation	3
	or MATH 23100Linear Algebra	
MATH xxxxx	9 additional credits chosen from MATH 17000 or above. At least 6 credits must be at level 2 or above. <sup>1</sup>	9
<b>Total Credits</b>		<b>20</b>

<sup>1</sup> The following courses cannot be used to count toward the Mathematics elective requirement: MATH 18800-18899.
